

**SIZE:**

Width approx. 54 cm. Length approx. 63 cm.

**MATERIALS:**

WENDY SUPREME DK

WD02- WD05-

WD38-WD42-

**COLORS**

**CROCHET HOOK SIZE 4 MM.**

**CROCHET TENSION:**

19 treble crochets in width and 10 rows in height = 10 cm.

**NOTE:** Hook size is only a guide. If you get too many stitches on 10 cm, change to a larger hook size. If you get too few stitches on 10 cm, change to a smaller hook size.

**EXPLANATIONS FOR THE PATTERN:**

**PATTERN:**

See diagrams A.1

**START THE PIECE HERE:**

**BABY BLANKET – SHORT OVERVIEW OF THE PIECE:**

The piece consists of Granny-squares crocheted together. An edge is worked around the blanket to finish.

**GRANNY-SQUARE:**

Work according to diagram A.1, read.

**ASSEMBLY:**

Lay the squares as shown in (= 6 squares in width and 8 squares in length).

Crochet together the squares lengthways, then

4 mm Use crochet - Lay 2 squares wrong side to wrong side and work through both layers: 1 double crochet around the chain-space in the corner, \* 3 chain stitches, 1 double crochet around the space between treble-crochet groups \*, work from \*-\* up to and including the chain-space in the next corner, work 2 chain stitches (transition between squares) and 1 double crochet in the chain-space on the next square.

Continue like this until a full length of squares has been crocheted together. When all the lengths have been crocheted together, work them together widthways in the same way.

**EDGE:**

Use crochet hook size 4 mm and off-

Around the corner: 1 double crochet, 3 chain stitches, 1 double crochet, 3 chain stitches.

Along the sides: \* 1 double crochet between treble-crochet groups, 3 chain stitches \*, work from \*-\* to the transition between 2 squares.

In the transition: 1 double crochet around the chain-space on the first square, 3 chain stitches, 1 double crochet around the chain-space on the next square, 3 chain stitches.

Work an edge like this around the whole blanket; finish with 1 slip stitch in the first double crochet at the beginning of the round.

## Diagram

- = Start here! Work 4 chain stitches and form them into a circle with 1 slip stitch in the first chain stitch = point on circle
- = 1 chain stitch - if you work outermost on the hook the chain stitch will often be too tight; 1 chain stitch should be as long as 1 double/treble crochet is wide.
- ⌋ = 1 chain stitch and 1 slip stitch in the 3rd chain stitch at the beginning of the round
- ⊥ = treble crochet around chain-stitch ring/chain-space, between treble crochets on the previous round
- ⌋ = first treble crochet of the round; at the end of the round work 1 slip stitch in this treble crochet
- ⊥ = 1 treble crochet around the 3 chain stitches at the beginning of the previous round
