

SIZES:

Width: 47-66 cm. Length: 52-80 cm.

MATERIALS:

WENDY SUPREME DK WD30- COLOR

CROCHET TENSION:

16 treble crochets in width and 8 rows in height = 10 x 10 cm.

CROCHET HOOK:

CROCHET HOOK SIZE 4.5 MM.

Hook size is only a guide. If you get too many stitches on 10 cm, change to a larger hook size. If you get too few stitches on 10 cm, change to a smaller hook size.

EXPLANATIONS FOR THE PATTERN:

CROCHET TIP FOR CHAIN STITCH:

If you work outermost on the hook the chain stitch will often be too tight; 1 chain stitch should be as long as 1 treble crochet is wide.

PATTERN:

See diagrams A.1 to A.3.

1 PUFF-STITCH:

Work as follows in the same chain stitch (important to work in the stitch not around the stitch): * Make 1 yarn over, insert the hook through the chain stitch, make 1 yarn over and pull it through the chain stitch; make both yarn overs long (to avoid the puff-stitch being small and compact it is important to pull the yarn overs to approx. 2 cm in length) *, work from *-* a total of 5 times, make a yarn over and pull the strand through all loops on the hook.

START THE PIECE HERE:

BLANKET – SHORT OVERVIEW OF THE PIECE:

The piece is worked back and forth.

BLANKET:

Work 77-107 chain stitches – read CROCHET TIP FOR CHAIN STITCH, with hook size 4.5 mm and Sky. The first row is worked as follows:

Work 1 treble crochet in the 4th chain stitch from the hook (= 2 treble crochets), then work 1 treble crochet in each chain stitch = 75-105 treble crochets.

Now work pattern as follows: A.1 over the first 2 stitches, A.2 over the next 66-96 stitches (= 11-16 repeats in width of 6 stitches), work A.3 over the last 7 stitches. REMEMBER THE CROCHET TENSION!

When A.1 to A.3 have been completed in height, repeat the pattern from the rows with an arrow until the piece measures approx. 51-79 cm – adjust so you finish after a row without puff-stitches.

Work 1 row with 1 treble crochet in each stitch (around each chain stitch). Cut and fasten the strand. The piece measures approx. 52-80 cm.

Diagram

← = Start on this row; previous row has already been worked and just shows how the next row is worked in the stitches

○ = 1 chain stitch - if you work outermost on the hook the chain stitch will often be too tight; 1 chain stitch should be as long as 1 treble crochet is wide.

○ = 3 chain stitches (equivalent to 1 treble crochet)

† = 1 treble crochet in stitch

• = 1 treble crochet around chain stitch

◻ = 2 TREBLE CROCHETS TOGETHER AROUND CHAIN STITCH/IN TREBLE CROCHET:

Work 1 treble crochet around chain stitch /in treble crochet but wait with the last yarn over and pull-through, work 1 treble crochet around the same chain stitch/in same treble crochet and pull the last yarn over through all 3 loops on the hook

X = skip 1 chain stitch, work 1 treble crochet in next treble crochet, 1 chain stitch, work 1

PUFF-STITCH – read description in text – in skipped chain stitch (puff-stitch will cross over the treble crochet on the right side of the piece)

◻ = skip 1 puff-stitch + 1 chain stitch, work 1 treble crochet in next treble crochet, 1 chain stitch, work 1 puff-stitch in skipped chain stitch (puff-stitch will cross over the treble crochet on the wrong side of the piece)
